ABOUT ME

I have been a member of DGC for over 15 years and joined as a result of my two sons becoming Junior members. Both Robert and Oliver have progressed to become Senior Members and Robert on two occasions was a Major Winner and Oliver was Junior Captain in 2015 both of whom I am very proud of. I have my own business over in Haslingden which was established in 1983 selling components into what is left of the Footwear Trade and now supply predominantly into the Orthopaedic and Orthotic Markets.

I ran a Junior Football team for over 15 years and was Secretary for over 7 years which involved me getting the Club Charter Standard accreditation with Lancashire FA which involved every Manager gaining Level 1 coaching Badges and was aimed at the importance of attending and passing courses for the Safe Guarding of Children which is an important part of becoming Welfare Officer for DGC although this role covers the Welfare of all DGC Members.
